

ART OF LIVING CONCEPT MORE THAN INK

Every piece of art in your collection can be complementing the interior environment of your home with the professional curatorial service 3812 Gallery offers. Through the *More than Ink* exhibition presented by our gallery, we would demonstrate how the art of living concept could be suggested through comprehension of the space, its architecture and design, aesthetic sensibilities and the owner's personality.

*All artworks featured are available for collection.
We invite you to share this artistic journey with us.*
