

**Toi- Yee Doris NG (b. 1987)**

**About**

Toi-Yee graduated from Central Saint Martins (MA) and RMIT University (BFA). Currently based in HART, Hong Kong, her art practice explores identity politics and their relationships with power dynamics, social structure and sense of self. Her vibrant paintings and sizable performative installations are a transmission of the complexity of identity, community and history. She reassembles these tangible dimensions with intimate erratic and domestic materiality- emphasising on visual and spatial elements with contrasting hues, symbolic silhouette, layers of fragmented textures, evoking the silenced absurdity in daily life.

Her work has been exhibited at Hong Kong Arts Centre, K11 Chi Art Space (Hong Kong), Tung Nam Lou Art Hotel, PRÉCÉDÉE etc. She has been awarded the 1a Space Award, Boon Lee Award, Dean's List Award from RMIT etc. Toi-Yee also works extensively in art and cultural community projects with The Lok Sin Tong Benevolent Society, MTR Corporation, Hong Kong Planner Institute etc.
