

Eric Fok (b.1990)

About

Born in the later era of Portuguese Macau, Eric explores Macau's identity by showing its transformations, developments and postcolonial phenomenon, merging space and time in a new fascinating dimension with his maps and meticulous brushwork.

His works were included in "Illustration Exhibition - Bologna Children's Book Fair (2013)", "Art Nova 100 in China", and the Portugal Oriental Foundation Art Award. His artistic contributions have been collected by esteemed institutions, including The Orient Museum (Portugal), the University of Hong Kong Museum and Art Gallery, the Macau Government Headquarters, the Cultural Affairs Bureau of the Macau S.A.R., and the Oriental Foundation (Macau).
